(An English Medium Co-ed Sr. Secondary School To be Affiliated to CBSE, New Delhi)

Address: Rampur, Jagun, Dist.: Tinsukia, Assam-786188

AN INTRODUCTION

*WELCOME TO VIDYA BHARATI INTERNATIONAL SCHOOL
"WHERE KNOWLEDGE MEETS EXCELLENCE"*

Today, the world has truly become a global village where education and careers are expected to meet international requirements and standards. In this fast-changing world, we must keep pace with the shifting trends of the global wheel, as rapid advancements in information and technology have brought all the inhabitants of this planet face to face. Therefore, it is essential to understand not only the mysteries of this world but also those hidden deep in the ocean and high in the cosmos, so that the adventure of life always remains alive.

Vidya Bharati International School is committed to catering to the needs of the hour. The schooling here nurtures young minds with values and innovation, shaping them into sound personalities under the guiding philosophy, “न हि ज्ञानेन सदृशं पवित्रमिह विद्यते” (There is nothing in this world as purifying as knowledge). Vidya Bharati International School, Rampur Jagun, is the second branch of the Vidya Bharati Trust. The first branch was established at Ahukhat, near Dangria Baba Mandir, Balugada, in Tinsukia. Both schools—at Tinsukia and Jagun—are co-educational institutions that pursue academic brilliance and all-round excellence.

The school stands for fortitude, discipline, and the holistic development of students, honing skills in academics, sports, and co-curricular activities. Life at Vidya Bharati is about training and motivating students to achieve academic success and career goals, while never forgetting the ultimate aim: to develop well-rounded personalities with strong values, sound character, and deep sensitivity. We encourage our students to strive for high personal standards, to treat others with respect and kindness, and to take responsibility for the consequences of their actions. The management also envisions opening several such schools across the country in the future.

Our educational curriculum is strictly based on the New Education Policy 2020 and follows the CBSE framework. At Vidya Bharati International School, we nurture excellence with values, guided by the eternal wisdom of the Upanishads: “तमसो मा ज्योतिर्गमय” (From darkness, lead us to light). We believe education is not merely about imparting knowledge, but about awakening the spirit within. Our philosophy is rooted in the ancient Indian ethos: “न हि ज्ञानेन सदृशं पवित्रमिह विद्यते”

(There is nothing in this world as purifying as knowledge). We aim to cultivate knowledgeable, disciplined, and compassionate individuals who will shape the future of our nation.

Vidya Bharati International School strives to provide holistic education that caters to diverse interests and aptitudes, fosters a culture of excellence, values, and happiness, and empowers students to face the challenges of a rapidly changing world while staying rooted in the rich cultural heritage of India. The school is founded on the principle of “शिक्षा संस्कार के साथ” (Education with Values).

Located in a serene environment, our school offers an ideal setting for learning and growth. Its state-of-the-art infrastructure includes smart classrooms and modern equipment, Wi-Fi connectivity and a dedicated Web Cell, CCTV surveillance, safety, security, and sanitation. The campus is also equipped with a Composite Science Lab, Physics, Chemistry, Biology, and Mathematics laboratories, as well as Robotics, Language, and Music labs, etc.

Vidya Bharati International School is dedicated to shaping the future of our students and our nation. With a focus on excellence, values, and holistic development, we strive to create a brighter tomorrow for all. As the ancient wisdom reminds us: “सा विद्या या विमुक्तये” (Knowledge is that which liberates). May our pursuit of knowledge and wisdom guide us towards a more enlightened and prosperous future.
